

**\*\*\*"ROCKY MOUNTAIN HORSES" by Bonnie Hodge**

This book contains interesting material for novices as well as seasoned Rocky owners with over 400 total pages and 250 color images. There is an extensive section on the history of the breed, including many interviews with the old-timers whose families were involved in the breed from its inception. The variety of subjects covered in this book include: breed description, gait explanations, registry information, finding a dream Rocky, and training/handling tips.

Available in paperback only. \$50.00 Plus \$8.00 Priority Mail for California Resident. Send a check for total of \$58.00 made out to:
